# IRISH LAND ACTS, 1903-9.

## REPORT

OF THE

## ESTATES COMMISSIONERS

FOR

THE YEAR FROM 1<sup>ST</sup> APRIL, 1913, TO 31<sup>ST</sup> MARCH, 1914.

AND FOR

THE PERIOD FROM 1<sup>ST</sup> NOVEMBER, 1903, TO 31<sup>ST</sup> MARCH, 1914.

TO HIS EXCELLENCY JOHN CAMPRELL, EARL OF ABERDEEN,

LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

The Estates Commissioners beg to submit the following Report of their proceedings under the Irish Land Acts, 1903-9, during the year ended 31<sup>st</sup> March, 1914, together with a summary of their proceedings for the period from 1<sup>st</sup> November, 1903, to the 31<sup>st</sup> March, 1914.

*Where not otherwise stated, the expression "period" in this Report means the period from 1<sup>st</sup> November, 1903, the date on which the Irish Land Act, 1903, came into operation, to 31<sup>st</sup> March, 1914, and the expression "year" means the year ended 31<sup>st</sup> March, 1914.*

*The expression "Parcels" used in the Tables of this Report refers to parcels of untenanted land sold or agreed to be sold to purchasing tenants and others, either as enlargements of existing holdings or as new holdings and where such parcels have been consolidated with the existing holdings of the purchasers it is so stated.*

*The references in brackets throughout the Report are to the sections of the Act of 1903, unless where otherwise specifically stated.*

### GENERAL OBSERVATIONS.

Detailed particulars of the proceedings in the various classes of sales before the Estates Commissioners are given under their respective headings in this Report and in the accompanying Statistical Tables.

On reference to the Summary of Proceedings given on pages xv-xvii, it will be seen that, on the 31<sup>st</sup> of March last, proceedings had been instituted before the Estates Commissioners for the sale of lands of an estimated Purchase Money of £92,522,965 and of this sum £63,759,178 had on that date been advanced by the Commissioners and £649,190 provided in cash by the Purchasing Tenants. Excluding cases refused, &c., there were lands of an estimated Purchase Money of £28,114,597 pending for sale before the Commissioners on the 31<sup>st</sup> of March last.

To expedite the payment of the Purchase Money of sales pending under the Act of 1903, at the passing of the Act of 1909, Section 3 of the latter Act enabled Vendors in such pending sales to elect to take payment either wholly or partly in Guaranteed 2½% Stock at the price of 92, instead of waiting for payment in cash of the Purchase Money of their Estates, and, under Section 23 (8) of the Act of 1903 and Section 4 of the Act of 1909 Regulations have been made by the Lord Lieutenant\* for determining the priority in which advances whether by means of money or of stock, or partly by

\* The Regulations made on the 28<sup>th</sup> of March, 1911, were printed as Appendix B to the Commissioners' Report for 1910-11.

means of money and partly by means of stock, may be sanctioned or made, and for allocating as between the different classes of sales the amounts available for advances.

The following Statement shows the extent to which these provisions have been availed of. On the 1st of April, 1913, there were pending Direct Sales under the Act of 1903, amounting to £27,777,846, viz.:—£23,216,266 on the All Cash Register, £3,852,518 on the Half Stock Half Cash Register and £709,062 on the All Stock Register, and in the year ended the 31st of March, 1914, the Commissioners advanced £4,666,677 in these pending Direct Sales allocated in accordance with the said Regulations as follows:—£2,995,641 in all cash, £1,492,994 in half stock half cash, and £178,042 in all stock. On the 1st of April, 1914, further applications by Vendors in Direct Sales pending under the Act of 1903 were received to take payment of the Purchase Money of their Estates as follows, £165,847 in half stock half cash, and £12,606 in all stock. Including cases not paid on the 31st of March, 1914, and allowing for cases in which the advances were refused &c., there were on the 1st of April, 1914, pending Direct Sales under the Act of 1903, amounting to £32,931,828 viz.:—£20,026,562 on the All Cash Register, £2,519,214 on the Half Stock Half Cash Register and £389,052 on the All Stock Register.

Advances made in respect of Purchase Agreements in Direct Sales lodged after the 15th September, 1909, and in respect of Agreements entered into by or with the Land Commission or the Land Judge or the Congested Districts Board after that date, are made by means of the issue of an amount of Guaranteed 3% stock equal in nominal amount to the sum advanced and are repayable by Annuities at  $3\frac{1}{2}\%$  under the Irish Land Act, 1909, save as regards certain Relates and lands pending for sale under the Act of 1903 to the Commissioners and the Board at the passing of the Act of 1909 which are to be paid in cash, with  $3\frac{1}{2}\%$  Annuities on resale.

The total advances made by the Estates Commissioners during the year and period ended 31st March last for the sale of Estates under the Irish Land Acts, 1903-9, were as follows:—

Originating  
Requests.

During the period from 1st November, 1903, to 31st March last, 715 Originating Requests (of which 37 have been withdrawn or refused) representing 865 "separate estates" were lodged asking the Commissioners to inquire into the circumstances of estates with a view to purchase and resale. Of this number, 21 were received in the year ended 31st March, 1914; the number received during the previous year was 23.

Estates  
inspected.

During the period, inspections were made of 793 estates, 23 of which were inspected in the year. In the case of 35 of the estates inspected in the period, the Commissioners decided not to make any offer.

Offers to  
purchase.  
(Tables IV,  
V., VI.,  
and VII.)

On the 31st of March, 1914, the Commissioners had estimated the price and made offers amounting to £6,811,707, to purchase 757 estates. 72 of these offers, amounting to £699,990, were made in the year.

Offers  
accepted or  
refused.  
(Tables IV,  
V., VI., and  
VII.)  
Offers  
awaiting  
acceptance.

During the period, 706 offers, amounting to £6,545,821, were accepted by vendors, and 21 offers, amounting to £121,769, were refused. 72 of these offers, amounting to £654,893, were accepted in the year.

On the 31st March, 1914, 10 offers, amounting to £144,117, were awaiting acceptance or refusal by vendors, and in the remaining 91 estates the proceedings had not reached the stage of the making of an offer.

During the period, having obtained undertakings from not less than three-fourths of the tenants to purchase their holdings, the Commissioners entered into agreements to purchase 661 estates for £6,237,776. Agreements amounting to £572,422 were made in the year for the purchase of 64 estates. The number of estates agreed to be purchased in the previous year was 74, the purchase-money of which was £418,580. There were no cases in which the Commissioners found it necessary under Section 6 (a. 3) to request the Lord Lieutenant to dispense with the conditions in Section 6 (a. 2) requiring the Commissioners, before agreeing to purchase an estate, to obtain from not less than three-fourths of the tenants undertakings to purchase their holdings.

Agreements to purchase.

Table XXXIX.

For 190,947 acres of the tenanted land not resold, and for 92,694 acres of the untenanted land not resold, undertakings to purchase had been received by the Commissioners, but the lands had not been vested in the purchasers on the 31st March, 1914. Detailed particulars of the lands purchased but not resold by the Commissioners on 31st March, 1914, are given, by counties and provinces, in Table XXXIX. in the Appendix.

In the year and during the period ended 31st March last, the Commissioners certified to the Lord Lieutenant in respectively 1 and 38 estates (congested within the meaning of Section 6 (5) of the Act of 1903) that the purchase and resale of the estates were desirable in view of the wants and circumstances of the tenants. In 3 of these 38 estates the resales have been completed without any loss within the meaning of Section 44, the necessary improvements having been made by means of grants from the Reserve Fund not repayable. The remaining 35 estates have been purchased by the Commissioners. In 15 of these estates, purchased for £103,040, the Lord Lieutenant has directed that the conditions in Section 6 as to resale without prospect of loss may be relaxed to the extent of £12,372, or 6·4 per cent. on the purchase money, such loss, when incurred, to be charged on the Land Commission Vote pursuant to Section 44 (2), and the Commissioners have sanctioned the expenditure of £23,120 for the benefit and improvement of these estates out of the Reserve Fund. In the other cases the arrangements for resale are not yet sufficiently advanced to enable the estimate of loss on resale to be made.

Loss under Sections 6 (4) and 44

It may be observed that the particulars in the foregoing paragraph refer only to those congested estates on the purchase and resale of which by the Commissioners it is contemplated that a loss chargeable on the Land Commission Vote should be incurred. The general operations of the Commissioners connected with the purchase and resale of untenanted land for the enlargement of holdings and relief of congestion are set forth on page xiv. of this Report, and the expenditure sanctioned for the benefit and improvement of estates is given on page xviii.

It will be seen from the foregoing table that, of the sums expended in the year and in the period, £22,742 11s. 10d. and £306,351 18s. 8d. respectively, were by way of free grant, and are, therefore, not repayable, and that the sums of £36,324 15s. 10d. and £254,386 10s. 1d. respectively, are repayable by the purchasing tenants as part of their Land Purchase Annuities, representing the enhanced prices of their holdings on resale after improvement.

For the purpose of providing the necessary funds to meet expenditure, the Treasury advanced to the Commissioners, out of the Reserve Fund Account, pursuant to Section 43 of the Act, in all the sum of £279,522 17s. 9d., in the period from 1st November, 1903, to 31st May, 1910, when the Reserve Fund became exhausted, and from the 31st May, 1910, the expenditure fell on the Parliamentary Vote for the Land Commission pursuant to Section 28 of the Land Act, 1909.

In the year and in the period under review the National Debt Commissioners, advanced the sum of £10,183 6s. 9d. and £60,466 10s. 10d. respectively, to the Land Commission for repayment to the Reserve Fund Account and to the Vote for the Land Commission, under Section 43 (3) of the Land Act, 1903, Section 17 of the Evicted Tenants Act, 1907, and Sections 29 and 30 of the Land Act, 1909.

*Negotiation Fees (Section 23, s.s. 11 and 12).*

During the year ended 31st March, 1914, the Commissioners sanctioned, under section 23, s.s. 12 of the Act of 1903, Negotiation Fees in respect of 612 estates on which an agent had been employed by the Vendor to negotiate the sale of such estates to persons other than the Land Commission. The total fees sanctioned amounted to £125,662 9s. 4d., which sum represents an average percentage of 2½ on the aggregate purchase moneys. The total amount of fees sanctioned from the commencement of the Act up to the 31st March, 1914, was £780,487 0s. 3d., in respect of 3,159 estates, the average percentage being 2½.

During the year under review, fees amounting to £748 16s. 6d. were, with the assent of the Treasury, paid, under section 23, s.s. 11, as part of the expenses of the Land Commission to negotiators of sales of estates to the Commissioners under sections 6, 7 and 8, this sum representing 0·36 per cent. on the aggregate purchase moneys. The total amount paid during the period from the commencement of the Act up to 31st March, 1914, was £16,109 14s. 0d., this sum representing 0·50 per cent. on the aggregate purchase moneys. In the case of estates sold to the Land Commission, the duties of the Negotiator are, as a rule, confined to negotiating the sale of the property to the Commissioners; the arrangements for the resale to the tenants, including the striping and allotment of untenanted land, the re-arrangement, enlargement, and improvement of holdings, are carried out by their Inspectors and other officials.

## XV.

*Questions of Law (Section 23, s.s. 1).*

In the year ended 31st March, 1914, the Judicial Commissioner decided 4 questions of Law referred by the Estates Commissioners, pursuant to Section 23 (1) of the Act of 1903, making a total number of 136 decided in the period from 1st November, 1903, to 31st March, 1914.

## XVI.

*Accommodation for Labourers (Section 96).*

During the period ended 31st March, 1914, the Commissioners forwarded to Rural District Councils and to the Local Government Board 186 representations or reports advising that 317 cottages should be erected to supply the needs of 275 holdings. 6 representations or reports were transmitted in the year for the erection of 10 cottages to supply the needs of 9 holdings. Advances amounting to £3,446 have been made to agricultural labourers under Section 2 of the Act of 1903 and Section 19 of the Labourers (Ireland) Act, 1906.

Information as to the Advances made to Rural Councils pursuant to Section 16 of the Labourers Act, 1906, is given in the Report of the Irish Land Commissioners for the year ended 31st March, 1914.

## XVII.

*Sporting Rights (Section 13).*

In the 7,740 estates for the purchase of which advances were made during the period from 1st November, 1903, to the 31st March, 1914, the sporting rights were dealt with as follows:—

In 108 estates exclusive sporting rights were preserved to superior landlords.

In 7,632 estates sporting rights within the definition of Section 13, *s.a.* 2, of the Irish Land Act, 1903, were vested as follows:—In 5,466 estates in the purchasers; in 929 in the vendors; in 495 in the purchasers concurrently with the superior landlords; in 14 partly in the purchasers and partly in the purchasers concurrently with the superior landlord; in 20 partly in the purchasers and partly in the superior landlord; in 21 partly in the purchasers and partly in the Land Commission; in 82 in the vendors concurrently with the superior landlords; in 51 in the Land Commission concurrently with the superior landlords; in 106 partly in the purchasers and partly in the vendors; in 192 in the vendors for life, afterwards in the purchasers; in 15 partly in the vendors and partly in the Land Commission; in 3 partly in the vendors, and partly in the superior landlords; and in 247 in the Land Commission.

It will be observed that the number of estates in which the exclusive sporting rights have been vested in the Land Commission is small compared with the number of estates sold, and it has not been found that the sporting rights on these estates are of value. In 9 cases, however, the sporting rights have been leased by the Commissioners.

## XVIII.

*Mines and Minerals (Section 13).*

In the 7,740 estates, for the purchase of which advances were made during the period from 1st November, 1903, to the 31st March, 1914, the right of mining and taking minerals was dealt with as follows:—

In 6,698 estates they were reserved to the Land Commission; in 735 to the superior landlords; in 268 partly to the superior landlords and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 2 to the superior landlord and Land Commission jointly; in 11 partly to the vendor and partly to the Land Commission; in 2 partly to the purchaser and partly to the Land Commission; in 1 partly to the purchaser, partly to the vendor, and partly to the Land Commission; in 1 partly to the superior landlord and partly to the vendor; in 1 partly to the superior landlord and partly to the purchasers; and in 20 to the vendor. In the case of one holding on an Estate the mining rights were vested in the purchaser. In 5 cases the Commissioners have made prospecting leases.

## XIX.

*Reservation of Ancient Monuments (Section 14).*

In the case of 90 ancient or mediæval monuments situate on Estates being sold under the Act, the Commissioners of Public Works or the Councils of the following Counties have intimated their willingness to have the monuments vested in them under Section 14, *i.e.* Commissioners of Public Works, 28 (in one of these cases, on the tenant's giving an undertaking to keep the monument in repair, it was vested in him along with the holding)—Cavan, 5; Clare, 3; Cork, 11; Donegal, 1; Down, 3; Galway, 6; Kildare, 4; Kilkenny, 1; King's County, 2; Louth, 1; Queen's County, 3; Roscommon, 1; Tipperary, 7; Tyrone, 4; Waterford, 1; Westmeath, 6; Wexford, 2; Wicklow, 1.

*Reinstatement of Evicted Tenants.*

Sub-section 1 (d) of Section 2 of the Irish Land Act, 1903, provided that in the case of the sale of an Estate under that Act, advances for the purchase of parcels of land might be made to, amongst others:—

Section 2  
(1) (d) of  
Irish Land  
Act, 1903.

"A person who within twenty-five years before the passing of this Act was the tenant of a holding, to which the Land Law Acts apply, and who is not at the date of the purchase the tenant or proprietor of that holding; Provided that in the case of the death of a person to whom an advance under this paragraph might otherwise have been made, the advance may be made to a person nominated by the Land Commission as the personal representative of the deceased person."

This sub-section was repealed by the Irish Land Act, 1909, but re-enacted in practically similar terms by sub-section 1 (c) of Sec. 17 of that Act.

At the time the Act of 1903 came into operation, the Estates Commissioners had no direct evidence of the number of persons who might be expected to apply pursuant to this Sub-section. It appears, however, from the Report, dated the 25th February, 1893, of the Evicted Tenants Commission, presided over by the late Mr. Justice Mathew (Parliamentary Paper Cd. 6935 of 1893), that there were on the 17 Plan of Campaign Estates enquired into by the Commission, 884 tenants out of occupation of their holdings at the date of the Report, also that 2,755 applications had been received by that Commission from evicted tenants or their representatives in respect of Estates other than the Plan of Campaign Estates specially enquired into by that Commission making a total at that date of 3,639 applicants.

Evicted  
Tenants  
Commission  
Report,  
1893.

Under Section 1 (2) of the Evicted Tenants Act, 1907, the evicted tenants to whom that Act applies are persons mentioned in Section 2 (1) (d) of the Irish Land Act, 1903, who or whose predecessors were evicted from their holdings in consequence of proceedings taken by or on behalf of their landlords, and who made application to the Estates Commissioners before the 1st May, 1907, to be put in occupation of holdings. Applications received since that date are inquired into and considered when the Estates on which the applicants' former holdings are situate are being dealt with by the Commissioners under the Land Purchase Acts.

Section 1 (2)  
of the  
Evicted  
Tenants  
Act, 1907

In their Special Report, dated the 11th June, 1907 (Cd. No. 3570 of 1907), the Commissioners explained their practice and the principles they act on in dealing with applications.

Special  
Report of  
June, 1907

Table L appended to this Report gives detailed particulars, by Counties, of the number of applications received by the Estates Commissioners from persons seeking reinstatement as Evicted Tenants or their representatives, the number of applicants reinstated in their former holdings or provided with new holdings, the number refused, and the number provisionally noted for consideration in the allotment of untenanted land as acquired by the Commissioners.

(Table  
L)

On the 31st March last, 1,796 evicted tenants (or their representatives) had been reinstated in their former holdings or provided with other holdings by landlords, with the assistance where necessary of grants by the Commissioners, and 1,568 were reinstated or provided with other holdings by the Commissioners on Estates purchased by them, making a total of 3,364 evicted tenants reinstated or provided with other holdings on 31st March last.

or provided

In the case of 529 of the 1,796 reinstated by landlords, the restoration was the direct result of the intervention by the Commissioners, and at prices suggested and sanctioned by them, but, as the Estates on which the holdings were situate were being sold direct by the owners to the tenants, the owners entered into agreements direct with the evicted tenants at the prices estimated by the Commissioners.

Under the compulsory provisions of the Evicted Tenants Acts, 1907-8, the Estates Commissioners had acquired up to 31st March, 1914, in the case of 122 estates, land comprising 26,248a. 3a. 28r., including turbary and mountain, and of this area 20,905a. 1a. 6r. have been allotted to 508 evicted tenants, 103a. 2a. 24r. to two occupiers of evicted farms which they surrendered, and 4,945a. 3a. 28r., to persons coming within Section 14 of the Evicted Tenants Act, 1907, and the residue, 254a. 0a. 0r., had not been allotted on that date. In addition, proceedings were pending on the 31st March, 1914, in respect of 261a. 0a. 12r., situate on 2 estates.

During the year ended the 31st March, 1914, the Commissioners authorized, in connection with the reinstatement of evicted tenants, the expenditure of £14,495 17s. 1d. (of which £6,743 17s. 1d. was by way of free grant) for the improvement of holdings, erection of buildings, purchase of live stock, compensation to existing tenants on surrendering evicted lands, &c., bringing up the expenditure sanctioned for these purposes during the period ended 31st March, 1914, to £354,066 17s. 6d., of which £243,898 5s. 6d. was by way of free grant.

The Returns published quarterly, in compliance with Section 3 of the Evicted Tenants Act, give detailed particulars of all evicted tenants, or their representatives, reinstated as purchasers on Estates sold or proposed to be sold through the Estates Commissioners.
